T-Scale

SP Waterproof Price Computing Scales

OIML approval from Delta(DK0199.254)

General Specifications

- Display — 15mm digit LCD display(LED backlight), with 15mm rear display
- Capacities — 3/6kg, 6/15kg (dual range)
- Platform size — 200 x 260mm
- Keyboard — 20keys(Mechanical switch)
- Housing — ABS plastic
- Maximum Divisions — 2 x 3,000e
- ADC update — ≤1/10 second
- Operating Temperature — -10℃~+40℃
- Power — AC adapter (12V/500mA), internal rechargeable battery (6V/3.2Ah)
- Gross weight — 2.78kg

IP65

- IP65 waterproof housing design
- Price computing, Preset tare, Accumulation, price per 100g / kg (selectable)
- Battery provides up to 70 hours of continuous use (without backlight)
- EC verification and gravity adjusted for UK and Eire
